Incumbent Worker Training Program
Small Business Employee Training
Local Workforce Resources

Lafayette Economic Development Authority

If you need to provide training for new-hires or upgrade training for existing employees, you may be eligible to have your training paid for through various workforce training programs.

Incumbent Worker Training Program

IWTP is administered by the Louisiana Workforce Commission. Businesses that have a minimum of 15 employees to be trained and are in compliance with Unemployment Insurance tax obligations may qualify for funding for customized workforce training. Employees may be full-time, part-time or interns.

Small Business Employee Training

SBET is administered by the Louisiana Workforce Commission. Businesses that have 50 or fewer employees and are in compliance with Unemployment Insurance tax obligations may qualify for up to \$3,000 per employee, per fiscal year for standardized workforce training. Employees may be full-time, part-time or interns.

Louisiana Workforce Commission / Acadiana Workforce Solutions

The Workforce Solutions Centers offer assistance in bridging the gap between employers seeking qualified, skilled labor and the workers searching for those opportunities and can be paired with other federally funded training resources such as On-The-Job-Training Program.

This booklet contains detailed information on the IWTP, SBET and Workforce Solutions programs. You can obtain additional information about these and other incentive programs from the Lafayette Economic Development Authority (LEDA).

Incumbent Worker Training Program

Description

The Incumbent Worker Training Program (IWTP) is a partnership between the Louisiana Workforce Commission (LWC), business and industry, and training providers. The IWTP is designed to benefit business and industry by assisting in the skill development of existing employees and thereby increasing employee productivity and the growth of the company. These improvements are expected to result in the creation of new jobs, the retention of jobs that otherwise may have been eliminated, and an increase in wages for trained workers.

Funding

The program is funded by a portion of Unemployment Insurance (UI) tax contributions dedicated solely to customized training.

Eligibility Criteria

Employers:

1. must have been in business in Louisiana for at least three years, contributing and in full compliance with state UI tax laws;
2. cannot receive IWTP Customized Training and IWTP Small Business Employee Training concurrently;
3. must have at least 15 employees to be trained (employers can form consortiums to meet this requirement); and
4. request training to either: a) prevent job loss caused by obsolete skills, technological change, or national or global competition; b) create, update, or retain jobs in a labor demand occupation; or c) update or retain jobs in an occupation which is not a labor demand occupation, if the administrator determines that the services are necessary to prevent the likely loss of jobs.

Trainees must be incumbent workers for whom the employer incurs a Louisiana UI tax liability.

Training Providers selected by employers must demonstrate a history of:

1. Successful training through its placement, retention, and satisfaction rates;
2. Collaboration with the targeted industry in the development of the training program curriculum; and
3. Use of a current industry standard as the basis for programs utilized to train students for employment in the targeted industry.

The Process

1. Employer decides what training is needed and selects a suitable training provider(s)
2. Employer and the training provider jointly develop a customized training plan to meet the company's needs and complete the IWTP online application at www.laworks.net.
3. Applications are reviewed by IWTP staff to assure that all IWTP requirements are met. Negotiations are conducted to improve the application and to provide for the most cost-effective training.
4. Applications are submitted to the Executive Director of the Workforce Commission for review and approval.
5. Upon approval of the Executive Director, a contract is developed specifying the goals to be accomplished, the scope of work and the line item budget. The contract is emailed to the employer and training provider for signature.
6. The contract is signed by the Executive Director and then forwarded to the LWC Contracts Unit. After the contract is encumbered and returned to the IWTP unit it will be e-mailed to all parties and training can begin.

Small Business Employee Training Program

Description

The IWTP Small Business Employee Training Program (SBET) is designed to benefit business and industry by assisting in the skill development of existing employees through individual, standardized (off-the shelf) training. Employers are reimbursed for tuition and required textbooks and manuals once the training has been completed and proper documentation has been submitted to the Louisiana Workforce Commission (LWC). Training costs cannot exceed \$3,000 per trainee per state fiscal year (July 1 – June 30).

Training Can Consist Of:

1. Classes at an educational institution under the policy or direct management authority of the Board of Regents. Training providers must be domiciled in Louisiana, contribute data to LOIS Scorecard, and show a demonstrated history of successful training in the area of instruction to be given (Referred to as Training Type G-1).;
2. Training from a manufacturer or their representative within one year of the purchase of equipment valued at more than \$3,000 where the training is not otherwise incorporated into the purchase price of the equipment; (Referred to as Type G-2);
3. Training from a manufacturer or their representative to upgrade computer skills (Referred to as Type G-3); or
4. Training from a national, regional, or state trade association that offers an independently certified training curricula and testing, which can demonstrate a successful training history of at least five years. (Referred to as Type G-4).

Eligibility Criteria:

1. Louisiana based businesses with fifty or fewer employees;
2. Employers that have been in business in the state for at least three years, contributing and in full compliance with state UI tax laws;
3. Trainees must be incumbent workers for whom the employer incurs a state UI tax liability;
4. Employers can not receive IWTP Small Business Employee Training and IWTP customized training concurrently; and
5. The request for training must be in a labor demand occupation(s) as defined for Workforce Innovation & Opportunity Act (WIOA) purposes, www.laworks.net or in a cluster based industry

The Process:

1. Employer decides what training is needed and selects a suitable training provider(s).
2. Employer completes and submits the SBET Application (online for quicker turnaround).
3. Applications are reviewed by LWC staff to assure that all SBET requirements are met.
4. Applications are submitted to the Executive Director of LWC or their designee for review and approval.
5. After approval of the Executive Director or his/her designee, employer is notified and training begins.

In order to receive reimbursement for training, an employer must submit invoices for training expenditures along with: 1) proof of payment; 2) proof of completion from the training provider; 3) proof that wages were paid to the participant during training hours or proof that the participant received a wage increase within 30 days upon the completion of the training.

Acadiana Workforce Solutions

Acadiana Workforce Solutions Centers throughout the region offer customized recruitment services to businesses at no cost to the business.

- Job Vacancies posted on state online job web-site: www.laworks.net
- Screening of applicants
- Access to search large statewide resume database
- Use of facilities for offsite interviewing

The Business Services section provides a team of business service professionals who are able to inform employers of an array of available services to meet employers' specific needs. They work in conjunction with Recruitment Specialists who assist with job vacancy advertising, applicant recruitment, screening/selection and referral services, resulting in reduced costs and time savings for your company by ensuring that your company interviews applicants who meet the basic requirements of the job.

The Acadiana Workforce Solutions career service section works with job seekers (members) to make sure they have a good resume and the skills needed in today's labor market and may refer for additional training.

On-The-Job Training Program

One source of additional training is On-The-Job Training. Employers who are unable to find fully experienced applicants may hire job seeker candidates of the Acadiana Workforce Solutions who have some but not all the skills needed and be reimbursed for up to 50% of a trainee's wages during the training period, subject to funding limits set by the regional Workforce Development Boards.

Other Workforce Investment Act Training Programs

On-The-Job Training may be sequenced with, or accompanied by, other types of federal WIOA (Workforce Investment & Opportunity Act) training such as:

- Work Experience program
- Customized Training
- Career Scholarships
- Basic Skills & Remedial Training

Work Experience program: Acadiana Workforce Solutions can place a qualifying individual of WIOA programs to work with an employer at no cost during a set training period which allows individual to gain work experience.

Customized Training (CT): CT is customized, classroom training specific to an individual company. Customized Training is conducted with the commitment by the employer to employ, or continue to employ existing employees, on successful completion of training. Training can be conducted in-house or through a training institution/provider for the introduction of new technologies, new products or service procedures, or job upgrades that require additional skills. The LWIA shares the cost of customized training 50/50 with participating businesses.

Career Scholarships: A Scholarship allows an applicant to choose his/her training from an approved training provider list. Applicant must first have been determined through assessment and counseling to be in need of training and have the ability to complete the training. The training must be in a demand occupation.

Basic Skills Training (BST): BST is instruction provided to raise an individual's general competency level. Basic Skills refer to reading (comprehension), language arts (writing and verbal communication) and computational skills which enable an individual to function in the labor market and society. Basic education provides these skills for the first time. Remedial education involves repetition of instruction previously given to the participant.

Registered Apprenticeship

Maximize Workforce Potential Through Louisiana Apprenticeship Program

Registered apprenticeship is a voluntary industry-driven training program which consists of a system of on-the-job training and related instruction to acquire occupational skills and knowledge needed to work for an industry or specific company. Training is not only set to industry standards, but is also flexible enough to adapt to an individual employer's needs. Apprenticeship program sponsors may qualify to use the Workforce Innovation & Opportunity Act (WIOA) funding for On-The-Job Training to assist with training costs.

Benefits

- Creates a pipeline of highly skilled workers trained to industry/employer specifications to produce quality results.
- Produces higher retention rates because employees are building a career with your organization.
- Cultivates loyal and motivated employees that contribute to productivity and competency.
- An effective way to prepare for potential workforce expansion.
- Attracts more qualified applicants.
- Helps industries remain competitive by investing in skill development.
- Establishes partnerships with certification and licensing agencies.

Work Opportunity Tax Credit (WOTC)

Work Opportunity Tax Credit (WOTC) is a federal program that encourages employers to hire persons who have special difficulties finding work. WOTC offers tax-paying businesses incentives to offer more and better jobs to disadvantaged people. WOTC is also designed to encourage employers who hire disadvantaged individuals to keep these workers in the critical first year of employment. Employers can earn federal tax credits between \$2,400 and \$9,000 per qualified hire.

The disadvantaged target groups eligible for the tax credit are:

- **Long-term TANF (welfare benefits) recipient** hired over a two-year period can yield a \$9,000 tax credit.
- **Qualified disabled veteran** hire can yield tax a tax credit of \$4,800 each.
- **Qualified ex-felons** hired within one year of release or conviction.
- **Individuals in an approved vocational rehabilitation program.**
- **Supplemental Nutritional Assistance Program Recipient (Food Stamps)** ages 18 to 39 and a member of a family receiving food stamps during the last 6 months or received food stamps 3 of the past 5 months.
- **Recipients of Supplemental Security Income (SSI).**
- **Other TANF (welfare benefits) recipient** is a member of a family who received TANF benefits for a 9 month period during the last 18 months.
- **Qualified veterans** who is veteran and a member of a family receiving food stamp benefits 3 of the past 15 months.
- **Unemployed veterans** who have been discharged or released from active duty in the U.S. Armed Forces at any time during the 5-year period prior to hiring date and received unemployment compensation for at least 4 weeks within 1 year before hire date.
- **Long-Term Unemployment Recipient** Individual who on the day before the individual begins work is in a period of unemployment that is: not less than 27 consecutive weeks and begins working between January 1, 2016 through December 31, 2019.

Individuals cannot be related to the employer. Employers are eligible to receive at least 25% tax credit for those qualified individuals employed between 120 and 400 hours and 40% tax credit for those employed 400 hours or more during the first full year of employment (a maximum of \$2,400).

State Tax Credits

Tax Credit for Employment of the Previously Unemployed (R.S. 47:6004)

Employers are eligible for a \$750 credit for hiring previously unemployed persons in newly created full-time jobs. To qualify for the credit, the employer must increase their full-time employment level by 5% over the previous year and only those additional new employees over the 5% increase are eligible for the credit. The \$750 per qualified new employee credit can be taken against the employer's state income tax for the taxable period during which the employee completes one year of full-time service.

Only one tax credit shall be allowed for:

- Each previously unemployed person and only if such person was unemployed for at least an eight-week consecutive period prior to his employment OR a recipient of Family Independence Temporary Assistance Program payments and participating in the Family Independence Work Program.
- The credit shall only be allowed for employment of Louisiana residents who have resided in Louisiana for at least six months prior to such employment.

If this credit is claimed, the following tax credits cannot be claimed:

- Credit for hiring eligible re-entrants (R.S. 47:287.748);
- Corporate jobs credit (R.S. 287.749);
- Neighborhood assistance tax credit (R.S. 287.753); or
- Enterprise zone tax exemption contract (R.S. 51:1787).
- Quality Jobs Program (R.S. 51:2455-2462)

Louisiana Basic Skills Training Tax Credit (R.S. 47:6009)

A tax credit is allowed for Louisiana businesses that provide basic-skills training for their full-time employees. The credit, which is administered by the Department of Education, is \$250 per employee and a business's total basic skills training tax credit may not exceed \$30,000 in a tax year.

- Participants must be full-time employees of a Louisiana business or industry who are voluntarily participating in the basic skills course.
- Participants must be Louisiana residents.
- Participants must complete a pre-course evaluation and have grade-equivalent achievement levels below the 12th grade level in reading and mathematics.
- Participants must complete a post-course evaluation performed by an accredited public education agency and must demonstrate at least three years grade level growth in reading and mathematics.

Taxpayer's interested in this credit should apply with the Department of Education before implementing an education program. Taxpayers receiving incentive tax credits under the Louisiana Quality Jobs Program (R.S. 51:2451 et. seq.) are not eligible to receive this tax credit.

Tax Credit for the Employment of Certain First-Time Drug Offenders (R.S. 47:297(K))

A tax credit is allowed for each taxpayer who provided full-time employment to an individual who has been convicted of a first time drug offense and who is less than 25 years of age at the time of initial employment.

- The credit shall be \$200 per taxable year per eligible employee.
- Only one credit is allowed per taxable year per employee.
- The credit may be received for a maximum of two years per employee.
- The credit shall be available upon certification by the employee's probation officer that the employee has successfully completed a court-ordered drug treatment/rehabilitation program, and has worked 180 days full time for the employer seeking the credit.
