

SKILL UP FOR ECONOMIC RESILIENCE

TRAINING OPPORTUNITIES FOR A BETTER FUTURE

The Skill Up initiative is designed to enhance economic opportunities for citizens across Lafayette and Acadiana while simultaneously boosting our region's economic resilience through essential skilled trades occupations.

South Louisiana Community College is recruiting students to enroll in the following programs with high demand/high wage job opportunities:

Precision Machining Industrial Automation Technician Airframe & Powerplant Technology

**Nearly 20,000 people work in the regional manufacturing industry
which projects long-term job growth of 5.6%.**

Machinist

Average annual wage: \$58,700

Aviation Mechanic & Service Technician

Average annual wage: \$71,460

Industrial Automation Technician

Average annual wage: \$ 68,430

2023 Louisiana Average Salaries, Bureau of Labor Statistics

Classes run on a rotating basis at various SoLAcc campuses.
Financial aid may be available for qualifying students.
