

GENERAL INFORMATION ON AMAZON FULFILLMENT CENTER IN CARENCRO, LA

Subcontractors: Please submit inquiries to Steve Oldendorf with Graycor at steve_oldendorf@graycor.com.

Vendors/Suppliers: For opportunities to support the Amazon Fulfillment Center facility once operational, local businesses can send their information to: amazon-nafc-procurement@amazon.com using the attached "Amazon Fulfillment Services Supplier Inquiry" form. From there, the information will be shared with the appropriate procurement manager based on the product/service being offered.

Hiring: Amazon will work with LED FastStart and LEDA once positions are available. Based on the expected operational start date in Fall 2021, the company expects to begin hiring this summer. The company will work with State and local workforce development partners to host informational sessions and hiring events in the region to make residents aware of these opportunities and help to answer any questions regarding the hiring process.
